

Number of times an arm is pulled after 20000 iterations

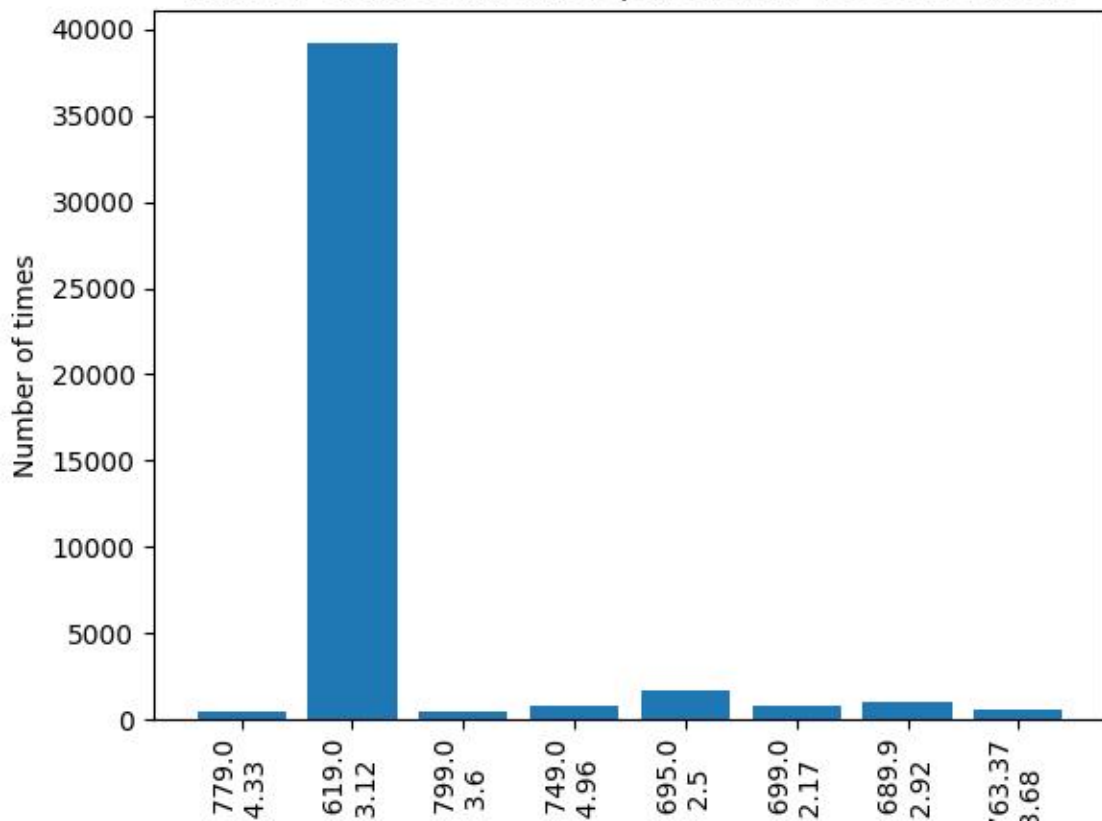

Cumulative reward

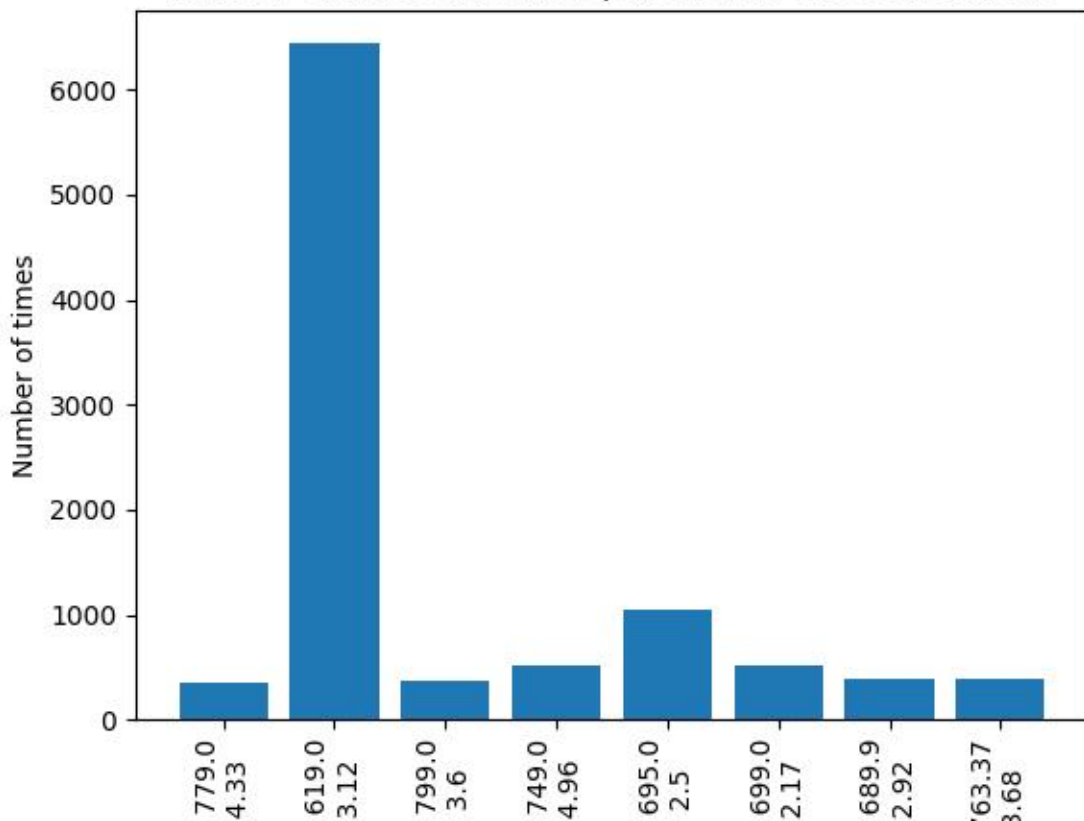

Number of times an arm is pulled after 30000 iterations

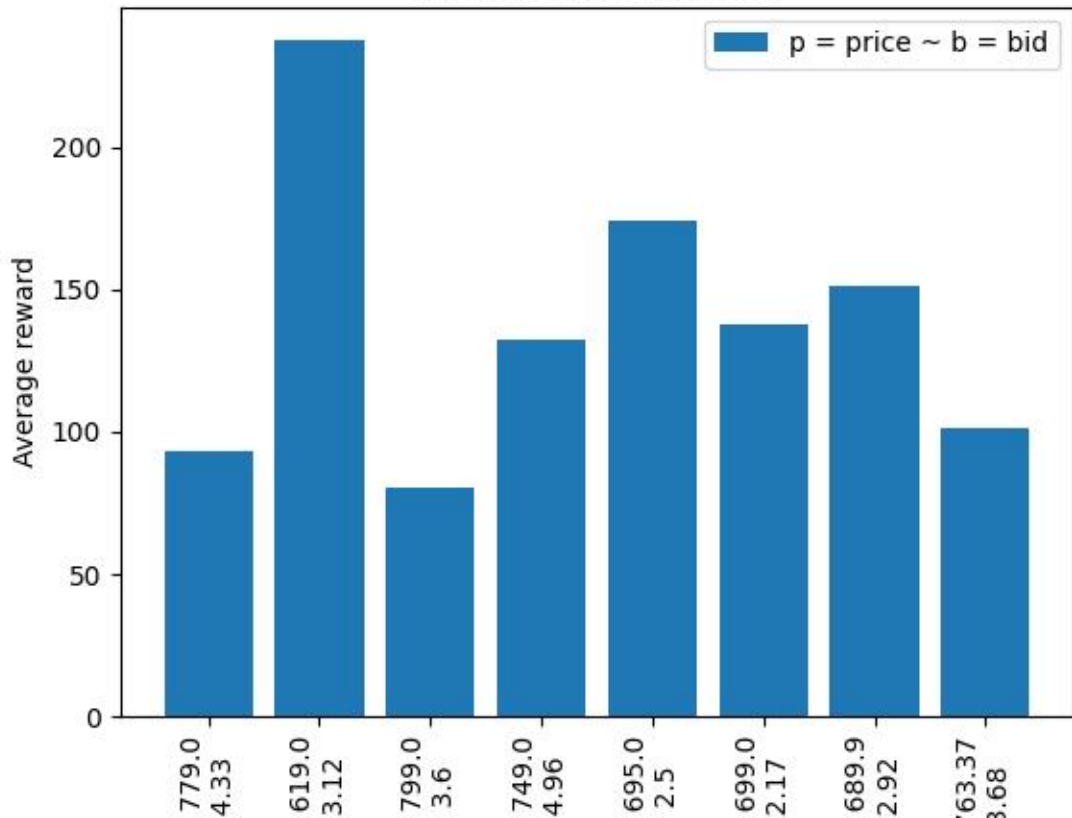

Number of times an arm is pulled after 45000 iterations

Number of times an arm is pulled after 10000 iterations

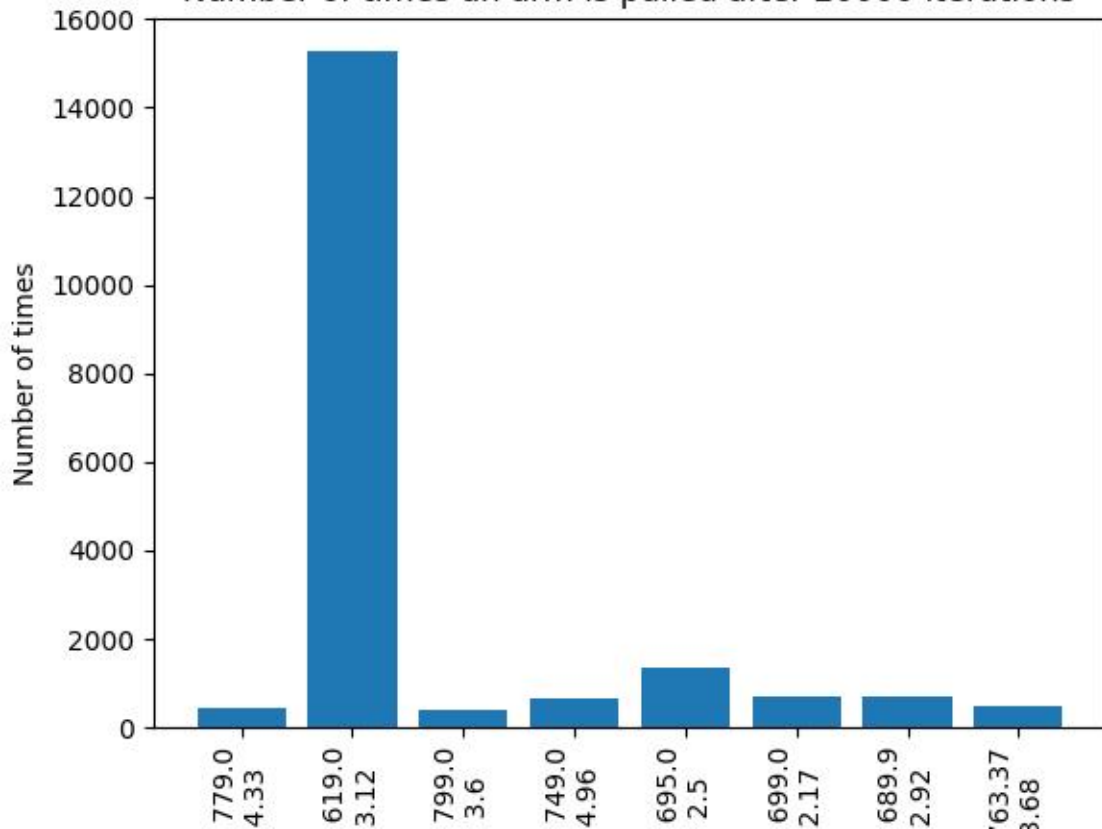

Average Arms Reward

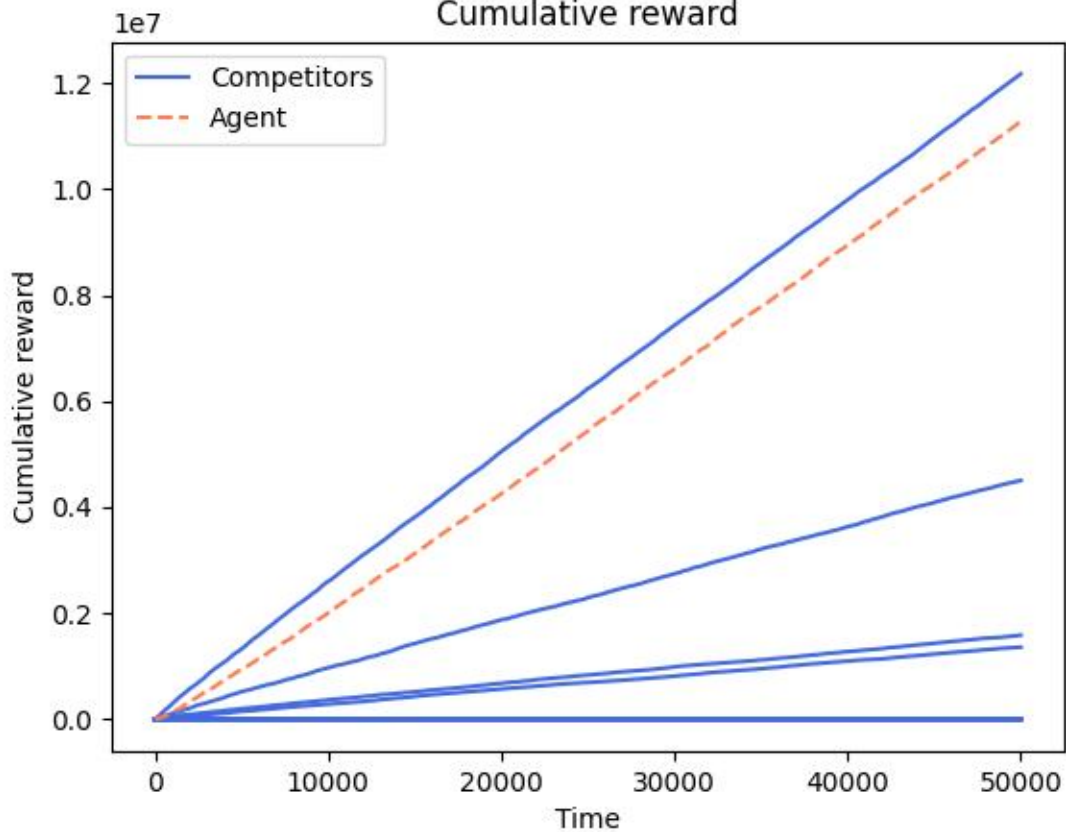

Number of times an arm is pulled after 20000 iterations

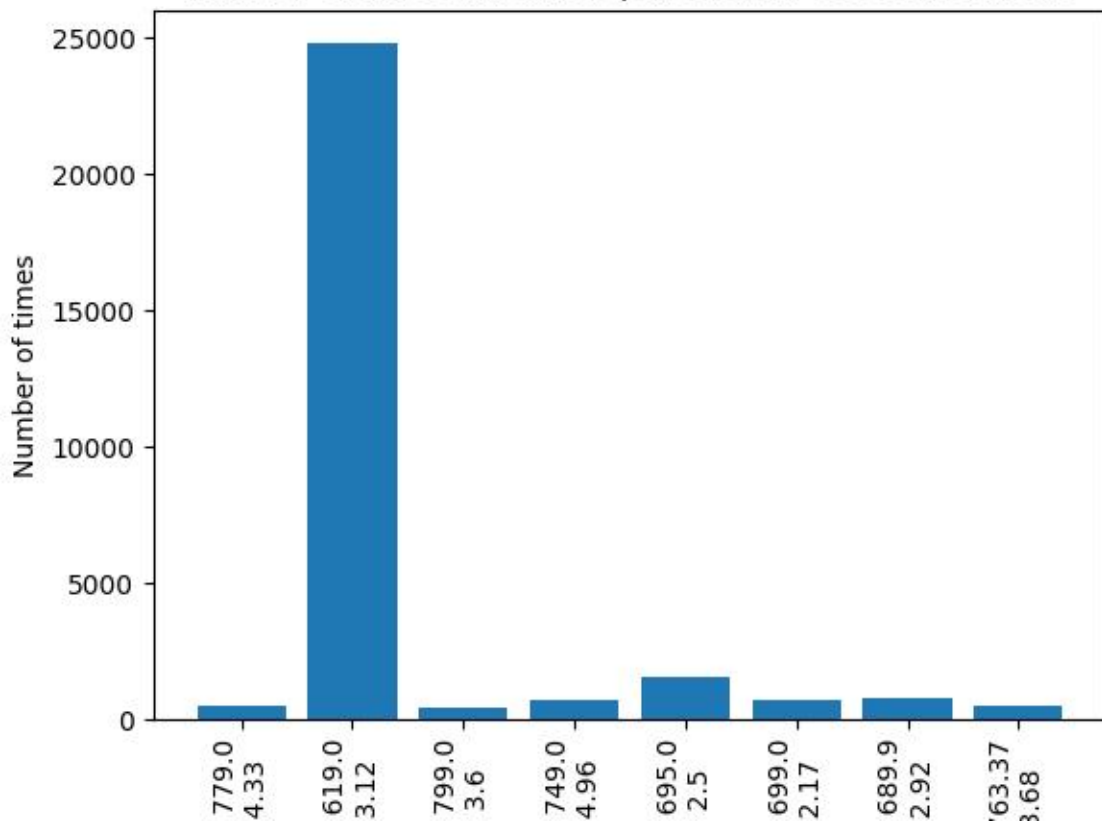

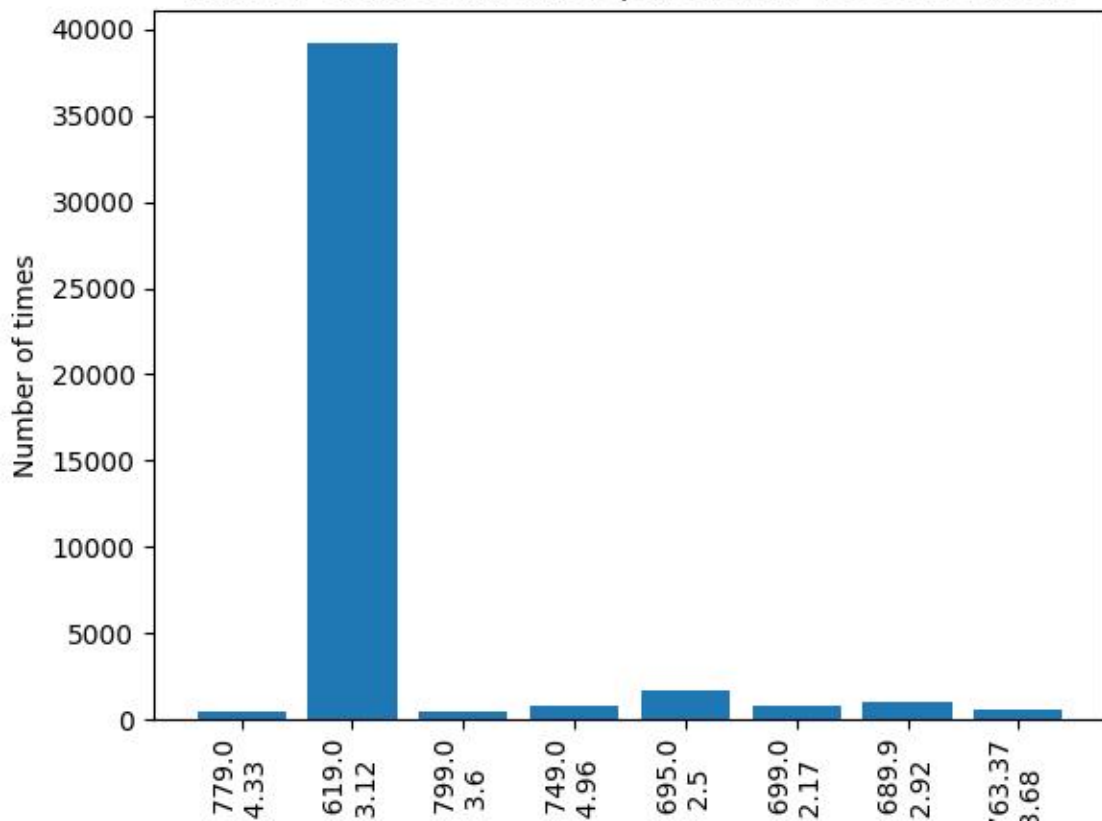

Cumulative reward

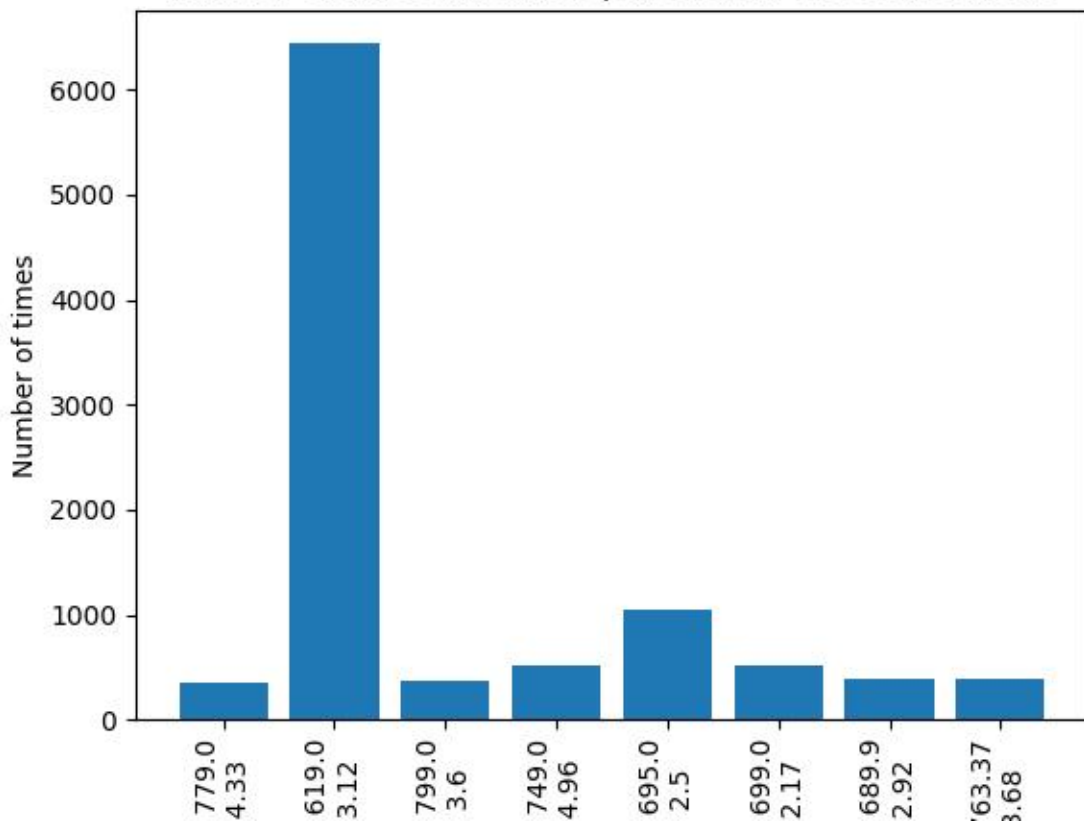

Number of times an arm is pulled after 30000 iterations

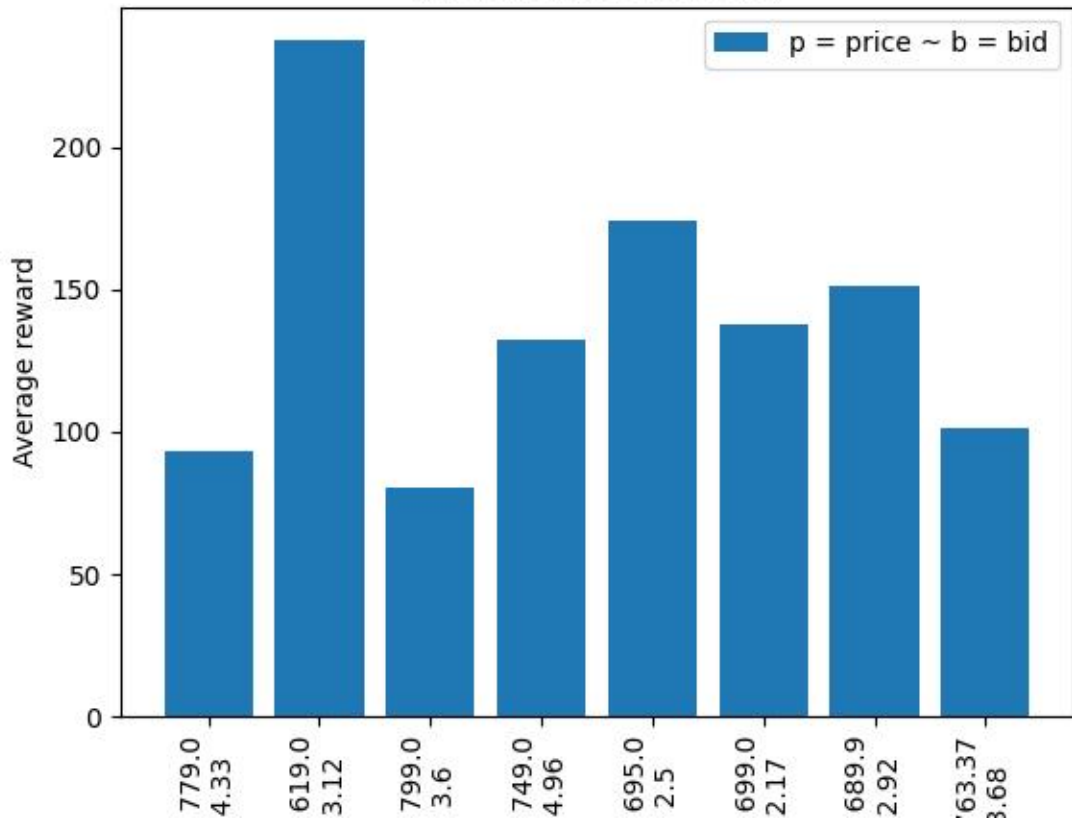

Number of times an arm is pulled after 45000 iterations

Number of times an arm is pulled after 10000 iterations

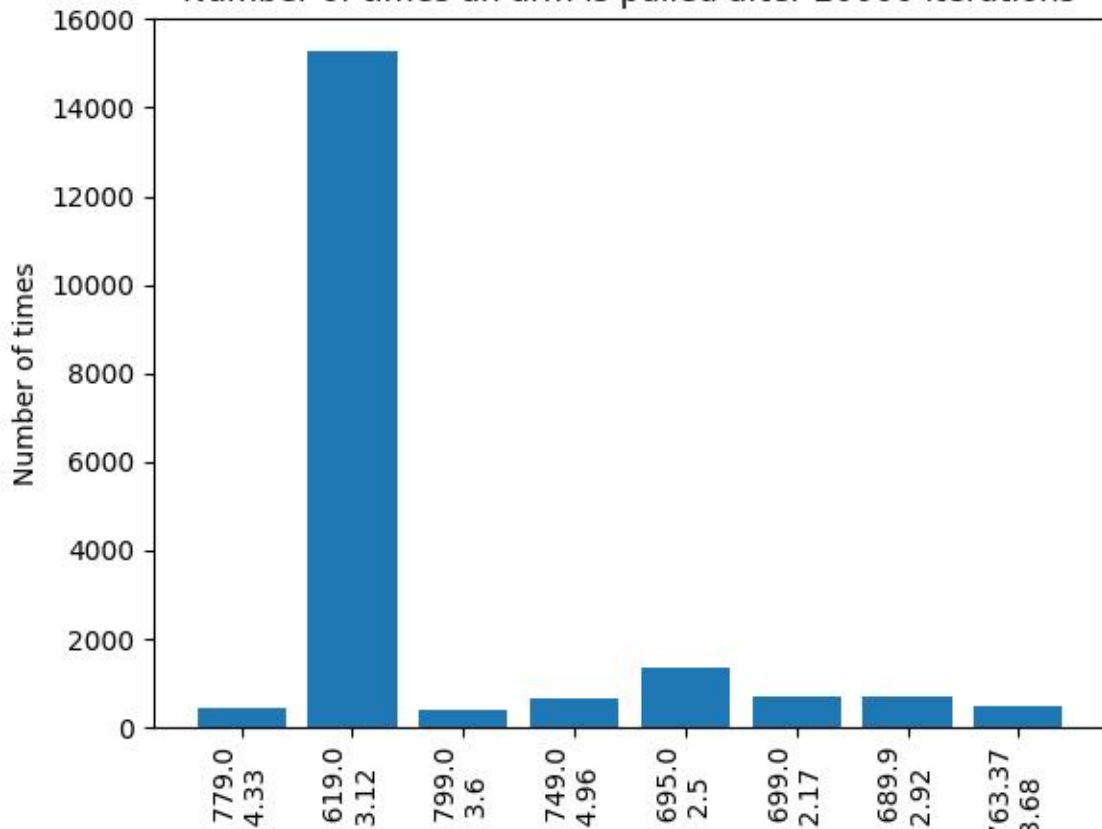

Average Arms Reward

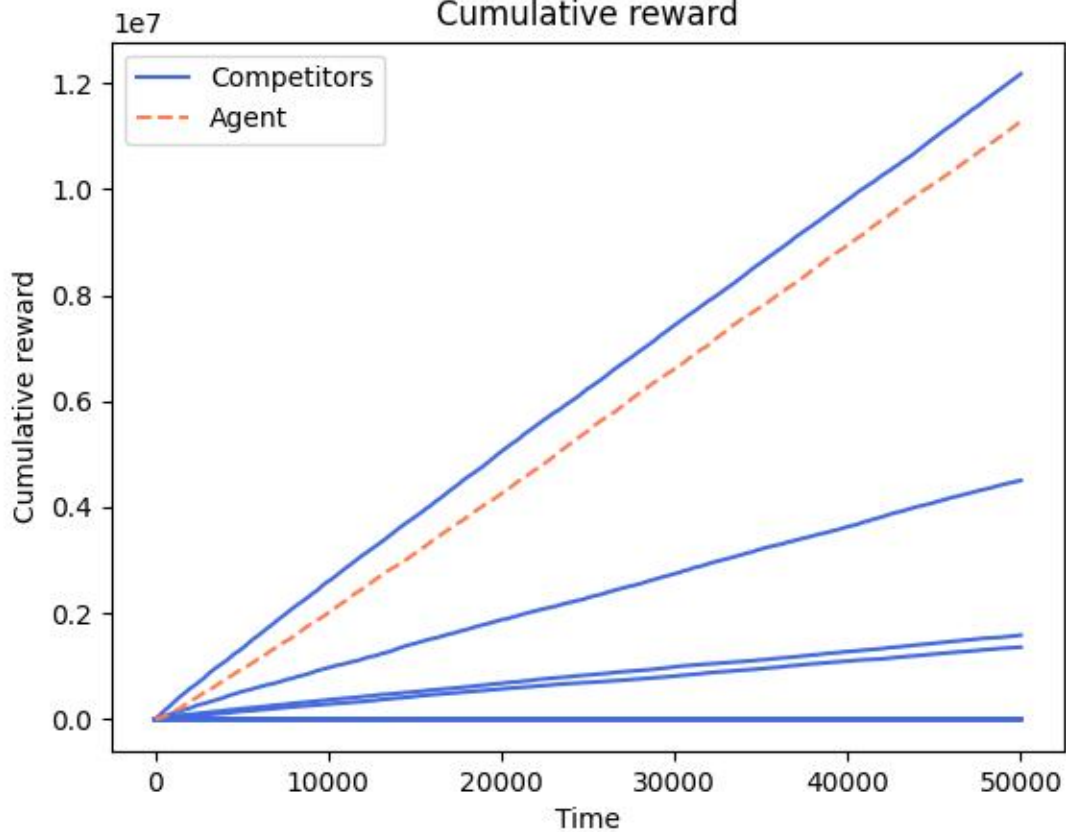

Number of times an arm is pulled after 20000 iterations

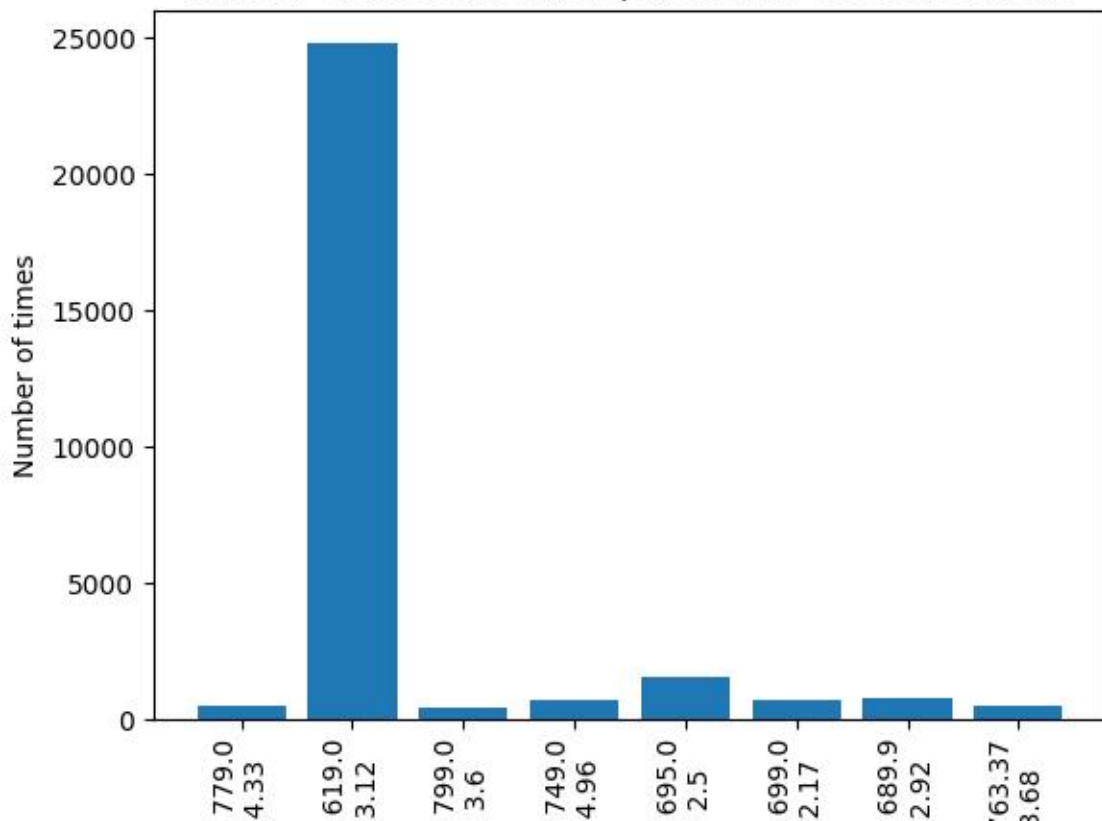

Cumulative reward

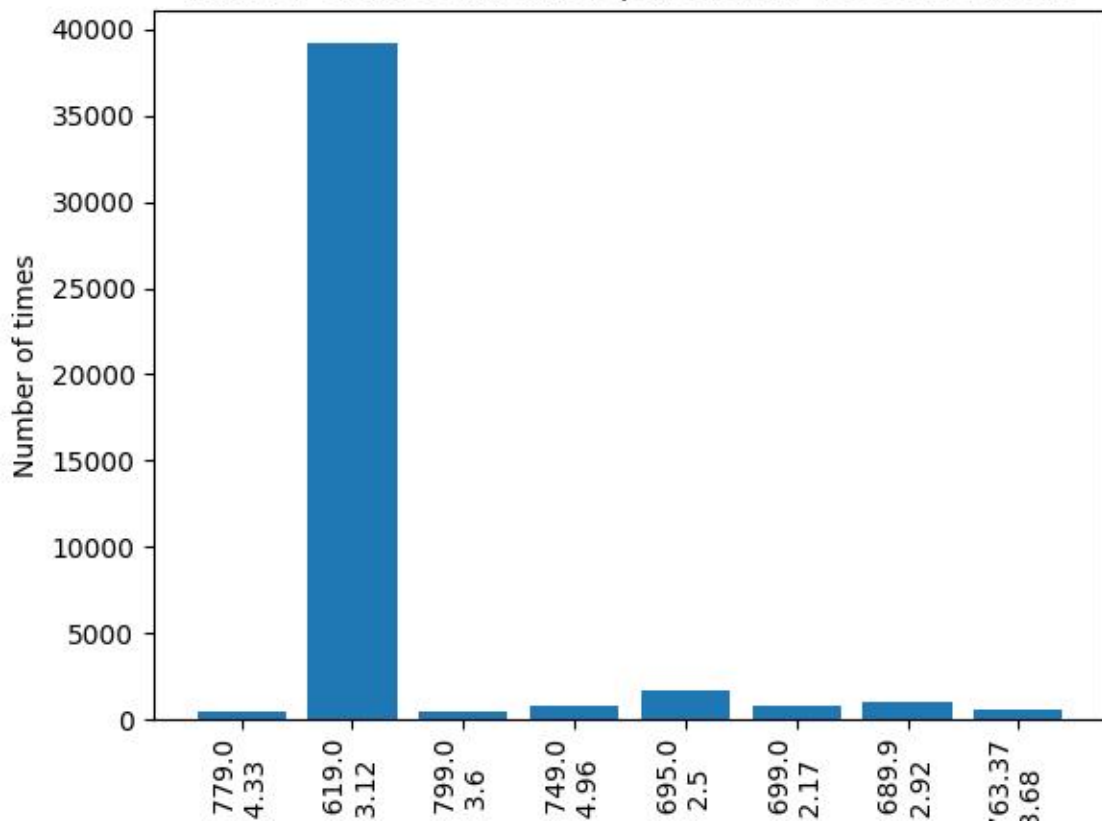

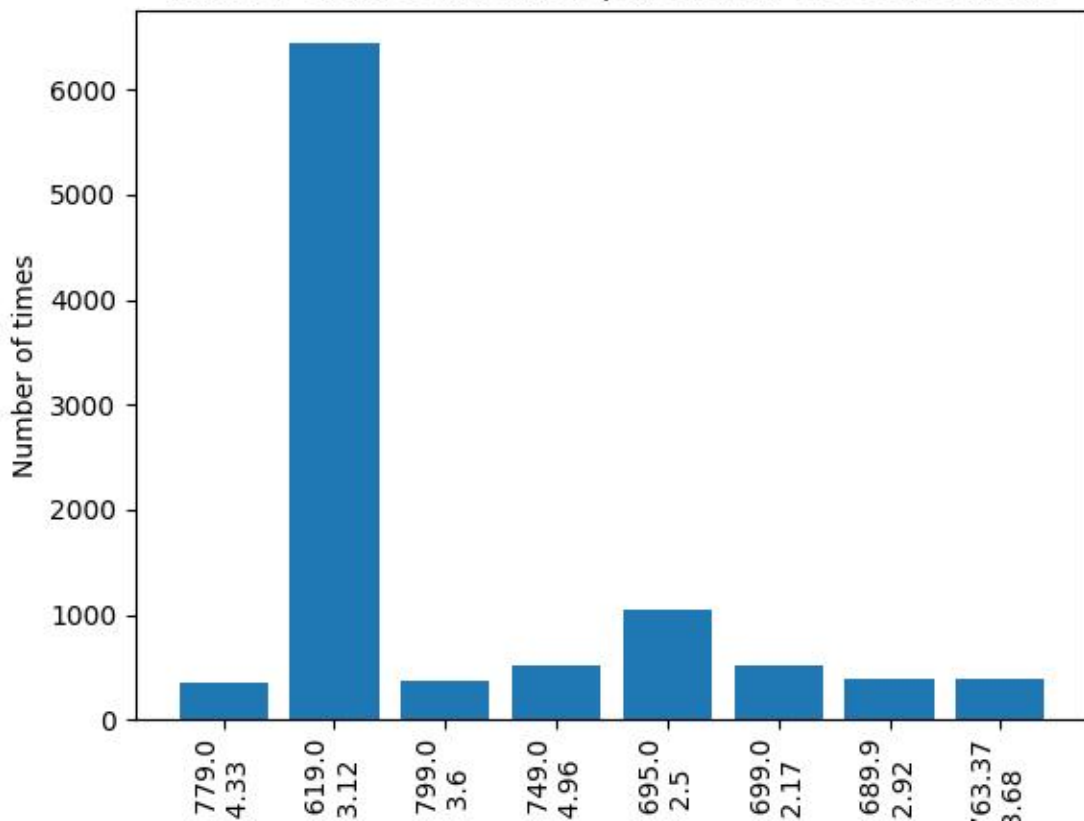

Number of times an arm is pulled after 30000 iterations

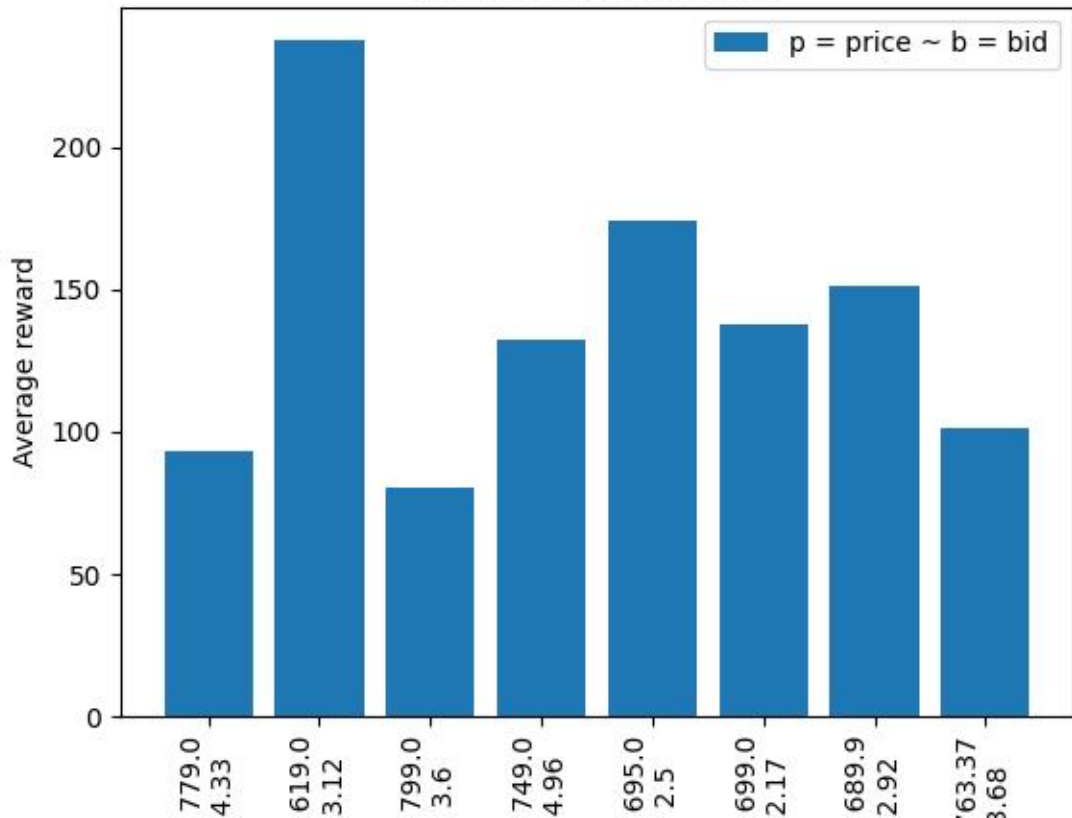

Number of times an arm is pulled after 45000 iterations

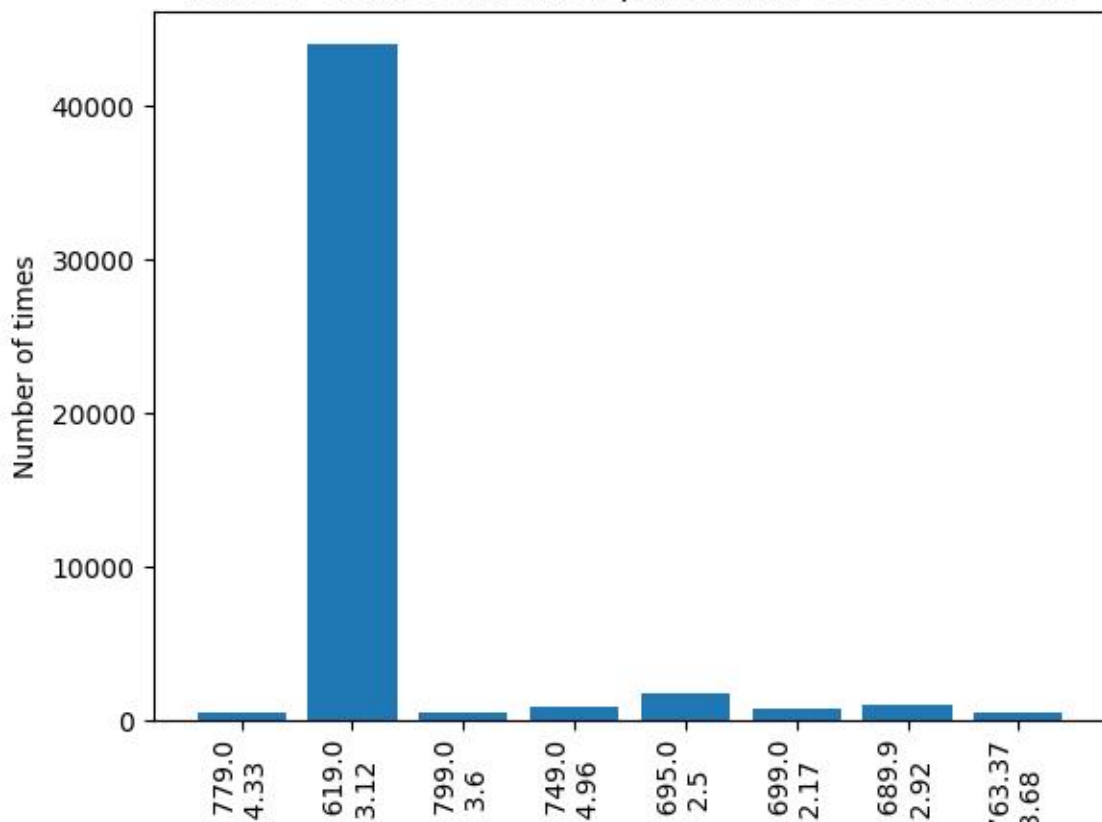

Number of times an arm is pulled after 10000 iterations

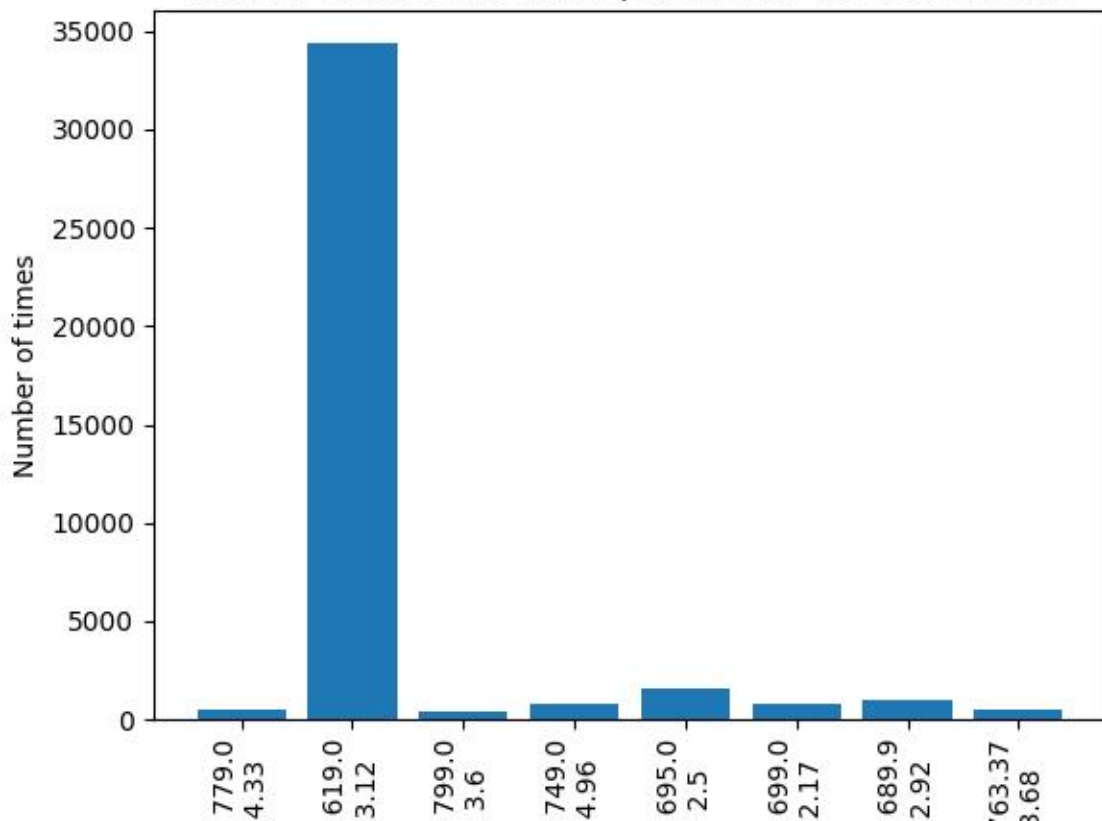

Average Arms Reward

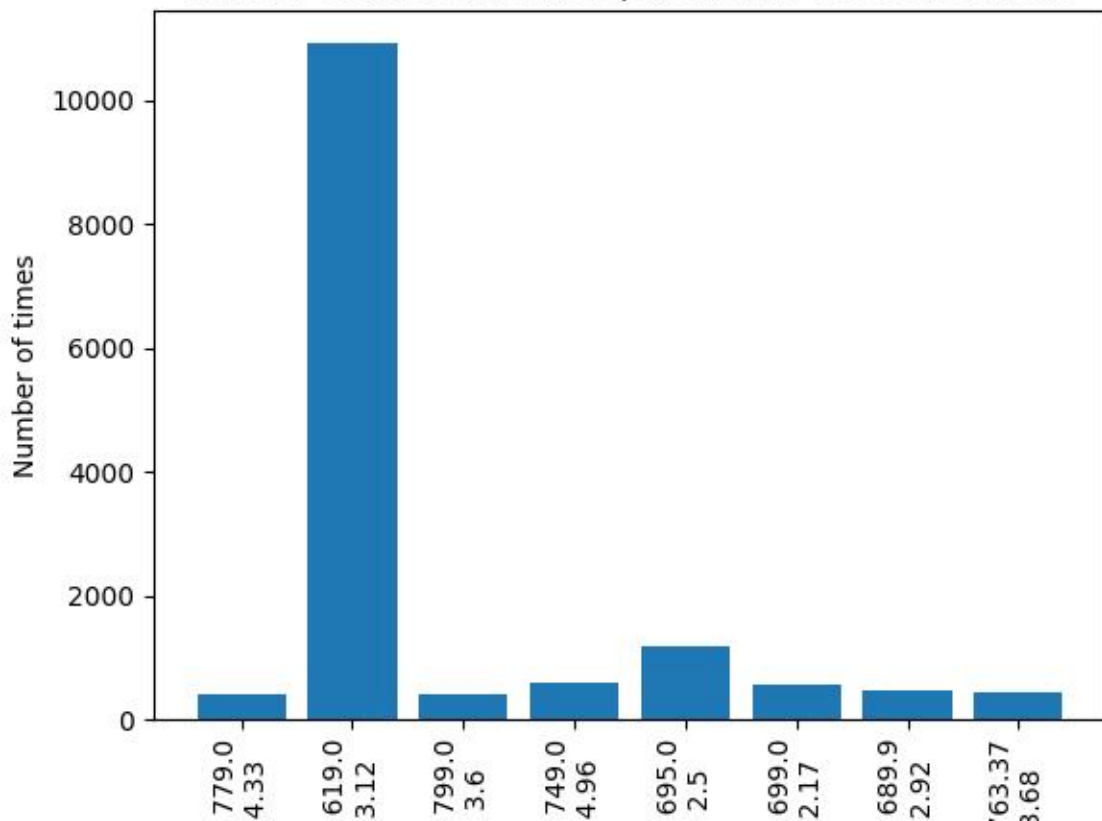

Number of times an arm is pulled after 50000 iterations

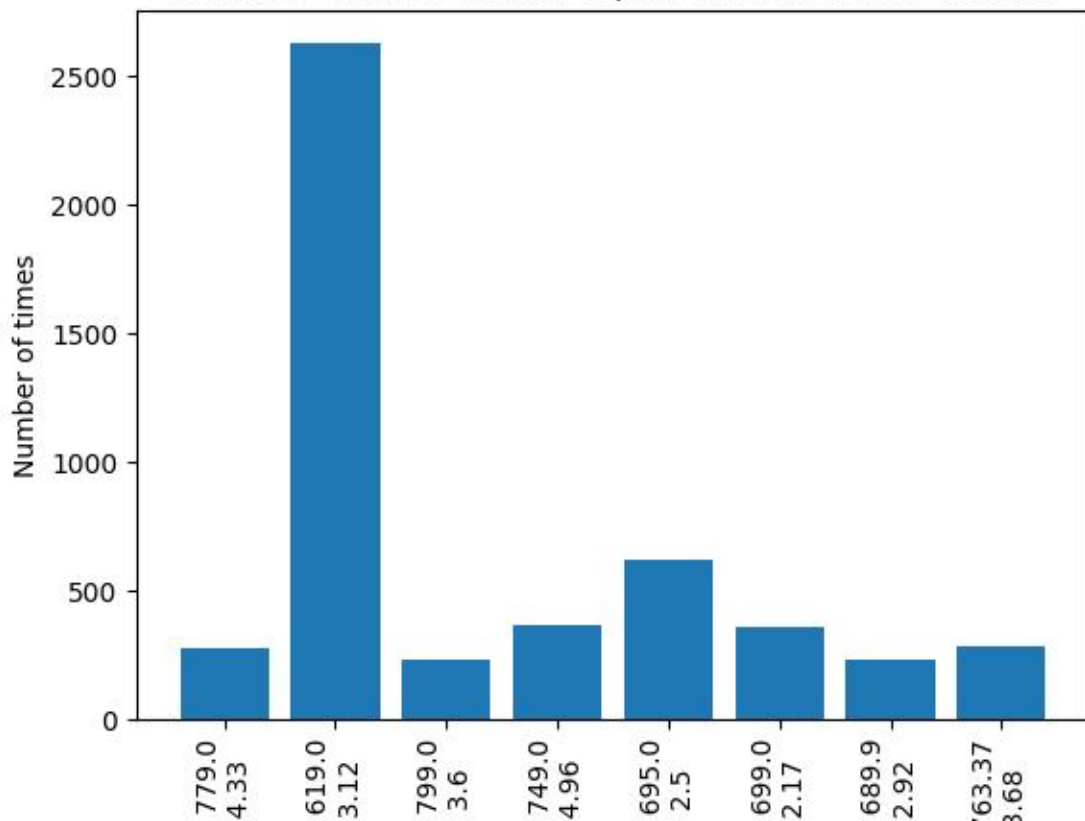

Number of times an arm is pulled after 40000 iterations

Number of times an arm is pulled after 15000 iterations

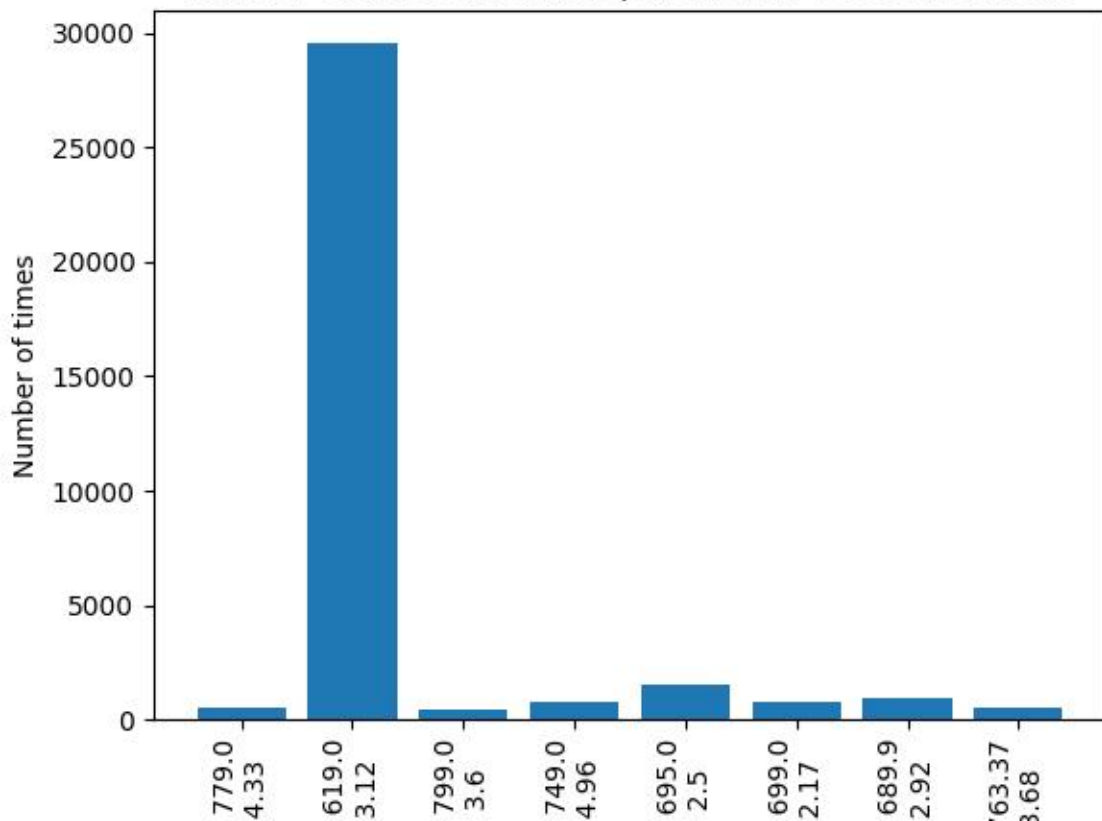

Number of times an arm is pulled after 5000 iterations

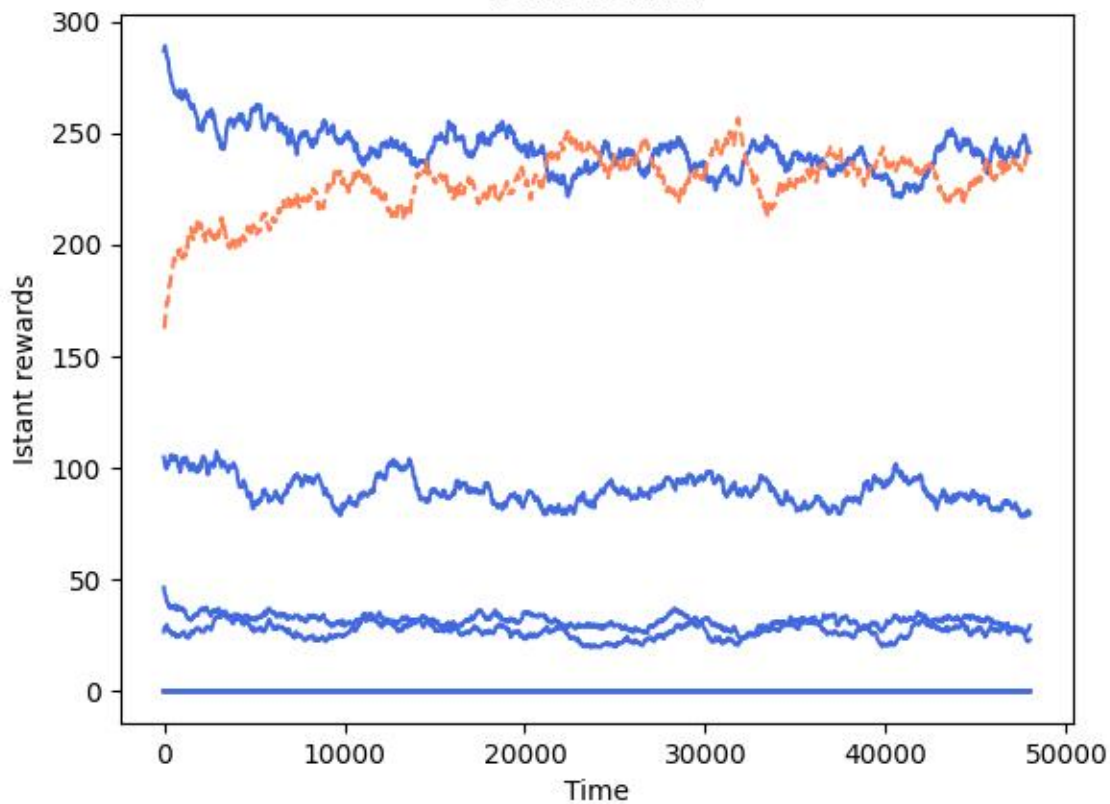

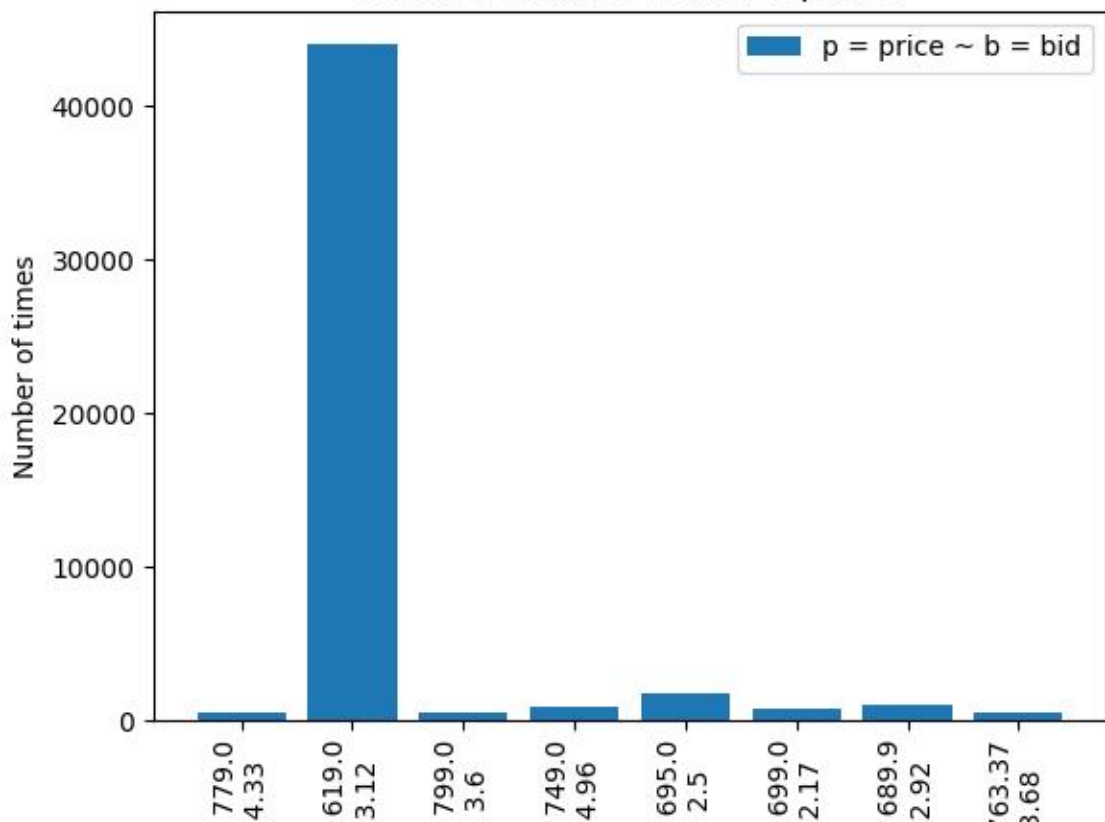

Number of times an arm is pulled after 35000 iterations

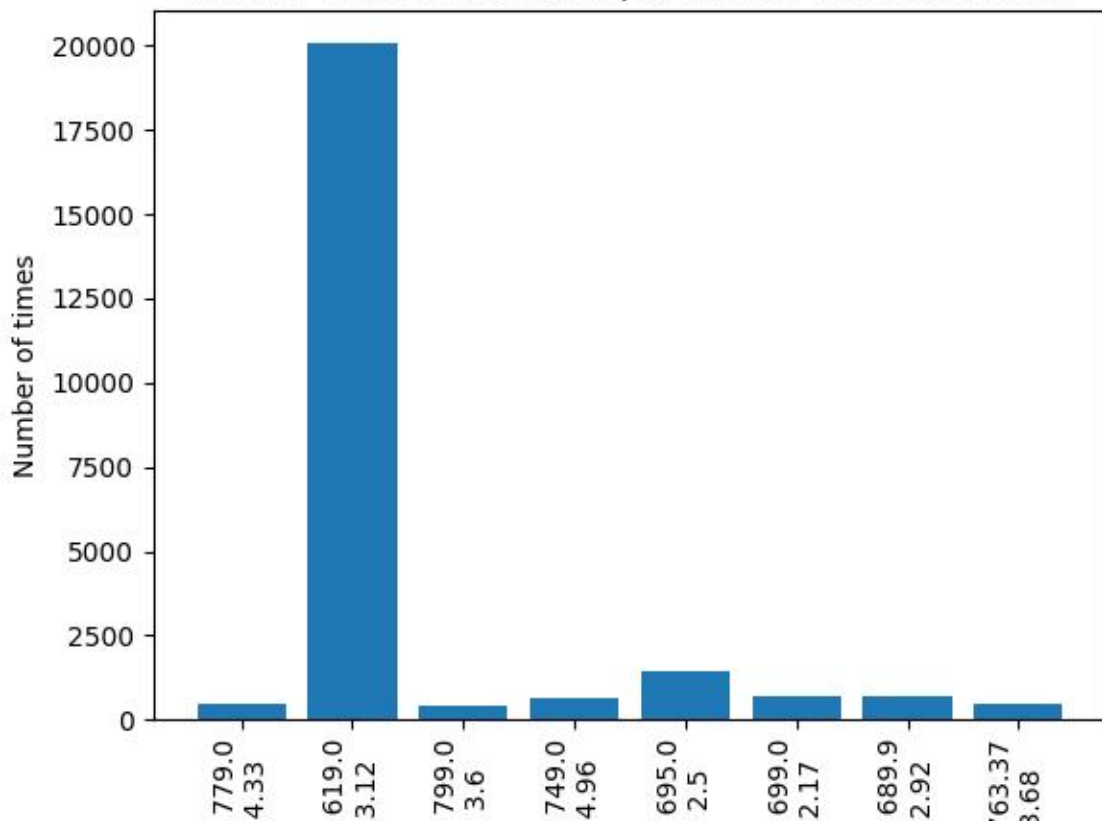

Istant reward

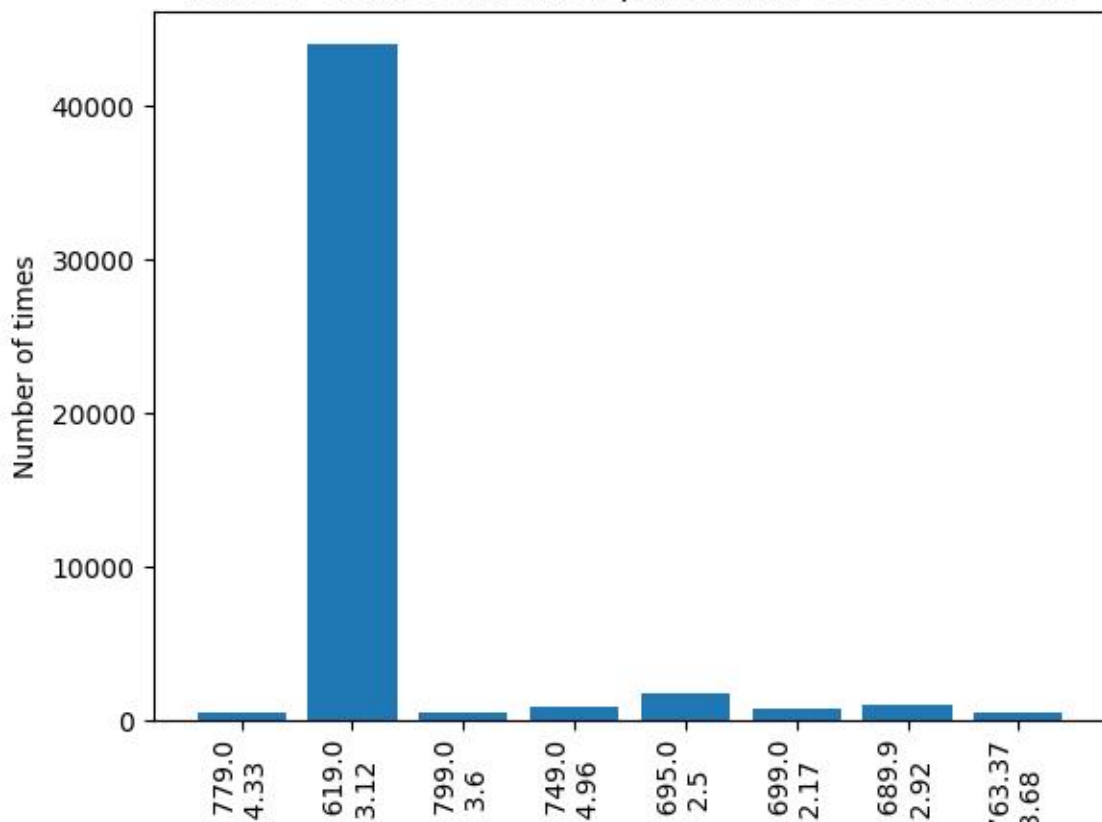

Number of times an arm is pulled

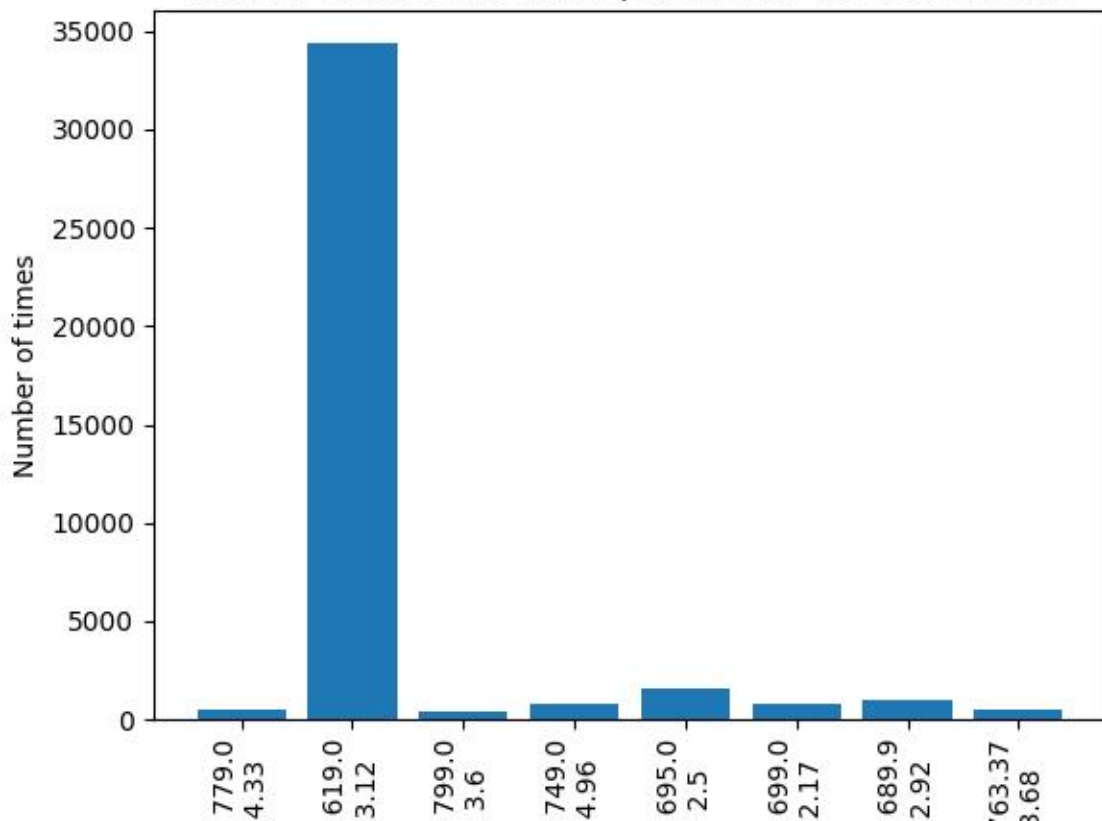

Number of times an arm is pulled after 25000 iterations

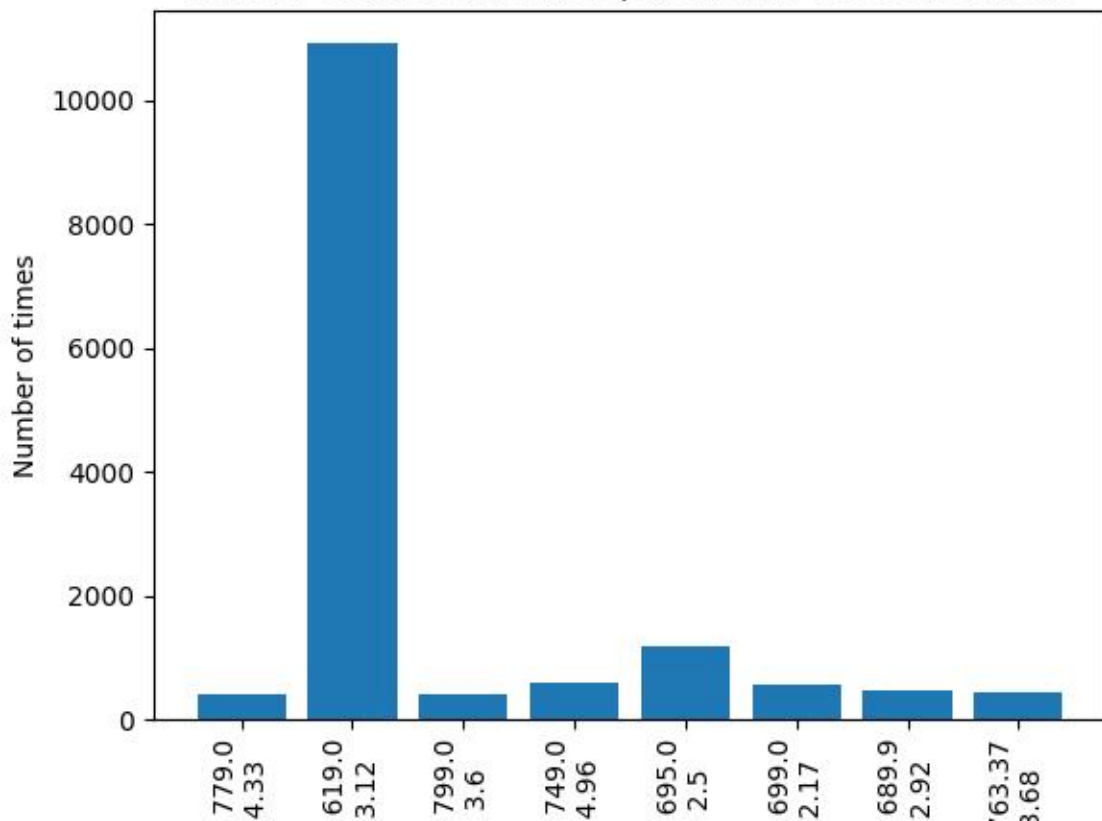

Number of times an arm is pulled after 50000 iterations

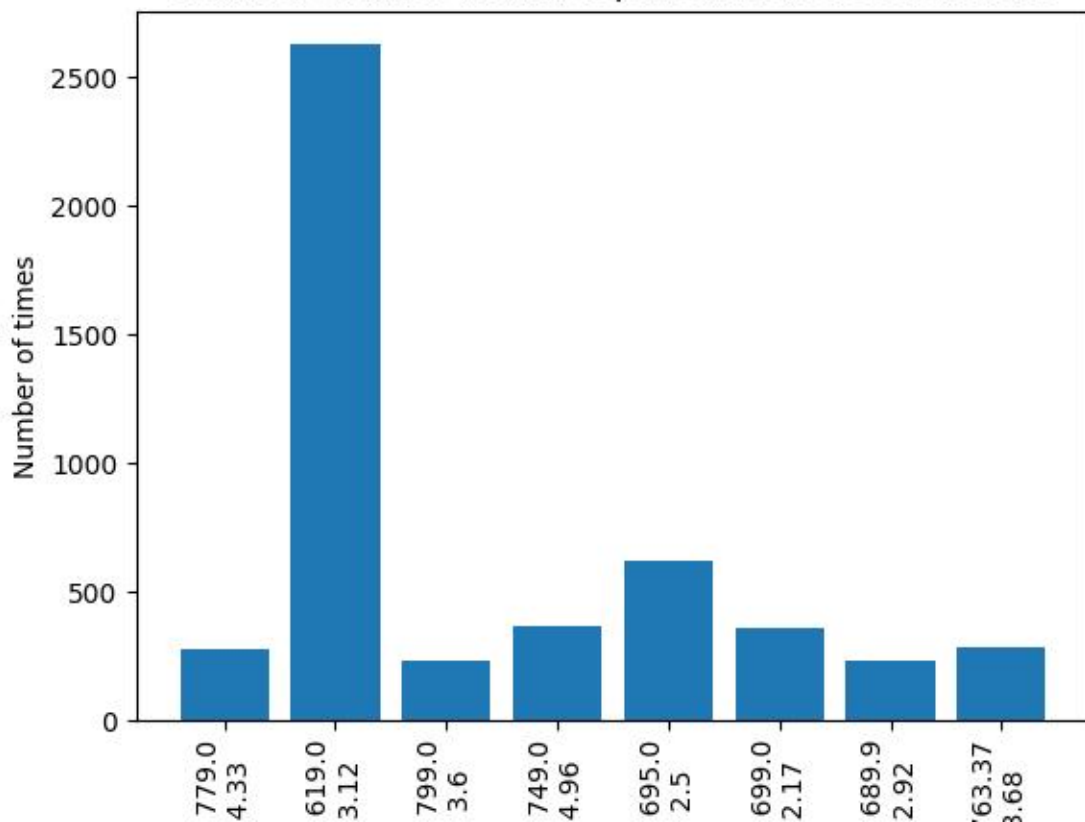

Number of times an arm is pulled after 40000 iterations

Number of times an arm is pulled after 15000 iterations

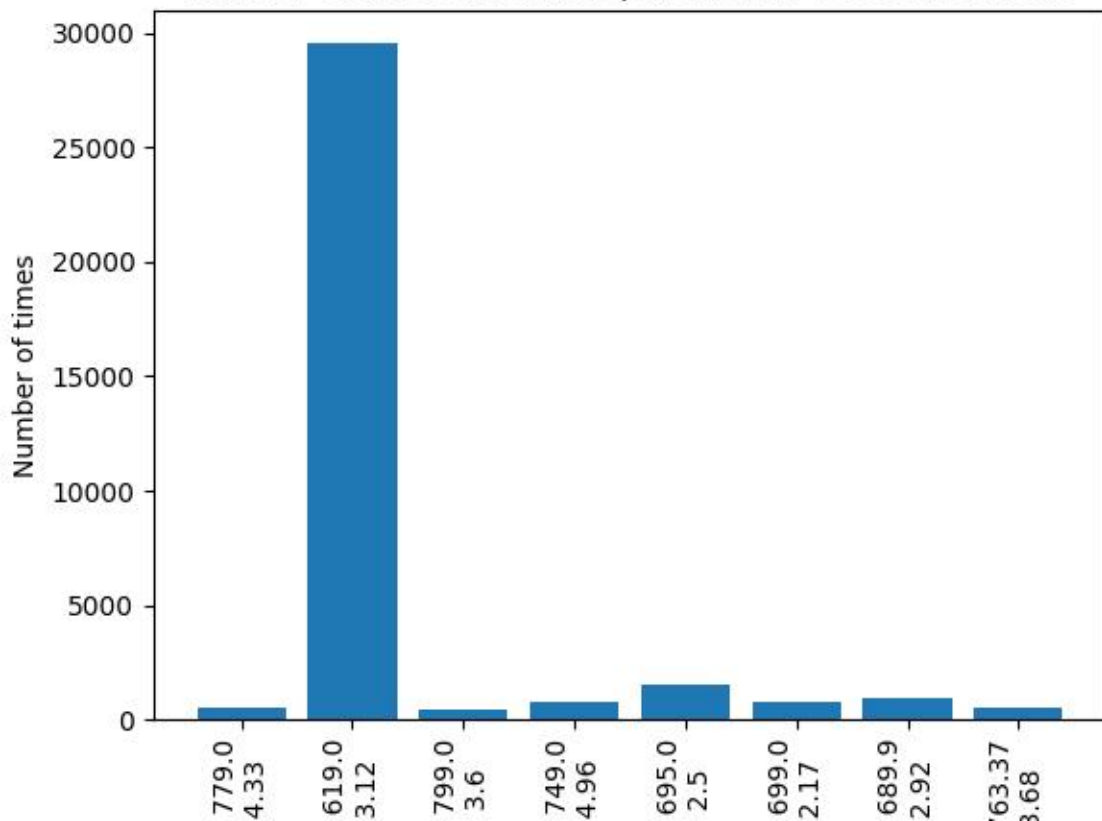

Number of times an arm is pulled after 5000 iterations

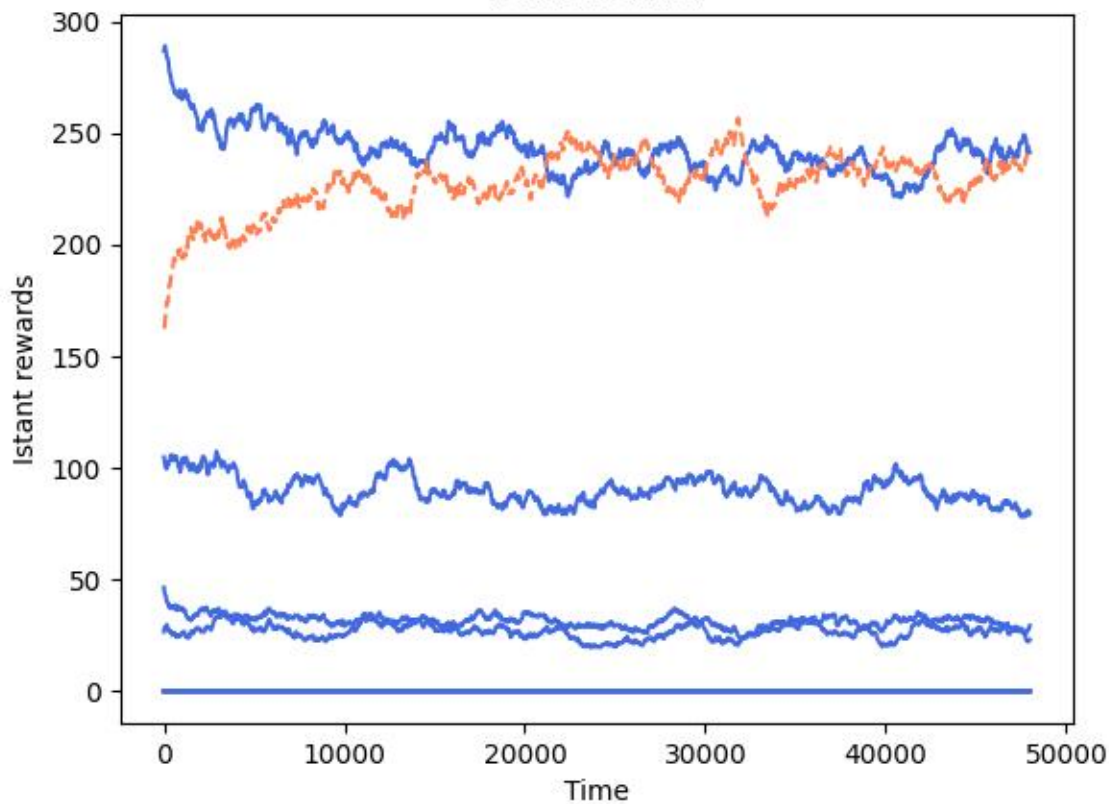

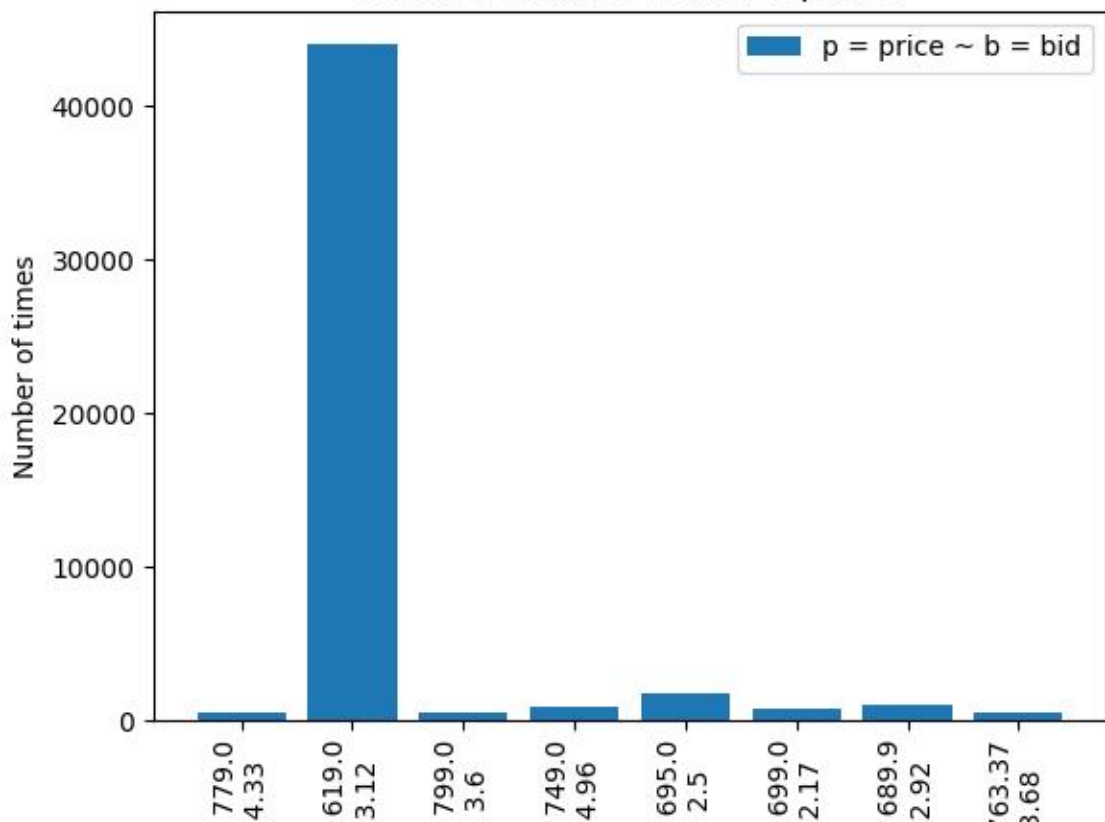

Number of times an arm is pulled after 35000 iterations
